Rand Suite

The class of yesteryear, the comfort of modern living and a completely unique living experience. Rand House, one of Vancouver's first, was built in 1899 in the exact centre of what was to become the most livable city in the world. It was completely renovated in 2007 restoring all the original heritage features while modernizing throughout. All units have independent entrances, full security and fire protection systems and full caretaking including housecleaning.

The Rand Suite includes:

- 2 bedrooms, 2 dens with 2½ baths in 2,400 sq ft on 3 floors
- Wrap around veranda
- Original fir hardwood floors with geothermal radiant heat
- Chef's kitchen with all stainless steel appliances, two ovens, gas range, pot filler tap & granite counters
- Silent servant dumb waiter
- Fireplace with heritage tile
- Concert baby grand piano
- Bay windows & French doors
- Sliding bookcase door
- Round movie room with surround sound
- Original clawfoot soaker tub
- Spiral staircase to roof deck
- Turret master bath with steam shower & infinity tub
- Conservatory sitting room
- Gabled walk-in closet
- Pet wash area & in-suite laundry

Potts Suite

The Potts Suite includes:

- 2 bedrooms with 1½ baths in 860 sq ft on a garden level
- Wrap around veranda access
- Original fir hardwood floors with geothermal radiant heat
- Chef's kitchen with all stainless steel appliances, gas range & granite counters
